## Changing Library Pass Program for 2020: Bringing the Zoo to You with Virtual Experiences

### **When else could your patrons turn their sofa into a safari adventure?**

Our Library Learning Program allows library patrons special access to exclusive virtual content, featuring education animals and lessons from our Education instructors, as well as fun at home-activities! These virtual experiences allow you to experience the zoo remotely. They can serve as a supplement to distance learning, a deterrent to summer learning loss, or a great feature to look forward to enjoying together! *This new offering replaces the previous library pass program format for the 2020 season.*

### WHAT YOU GET:

As a library, you will receive the password to special online videos that bring the zoo to you! Your \$250 membership includes the following:

- **EXCLUSIVE MEMBER CONTENT:** You and your patrons can log in to stream lessons, activities, and educational experiences.
- **UNLIMITED STREAMING:** There is no limit on how many times a program can be watched or shared, and your access lasts as long as the current membership (through December 31, 2020).
- **ACCESS IT ANYWHERE:** Share the password with patrons so they can watch at home, or host gatherings where you stream it together – whatever is safety and best for your community.
- **FULL FLEXIBILITY:** This program is a great way to connect families with the zoo, even if they cannot venture out due to changing state restrictions, health concerns, or dreary weather forecasts. With this membership, you can enjoy the zoo without obstacle.

### COMMUNITITES SUPPORTING COMMUNITIES:

- **We are an accredited zoo committed to high quality animal care:** Roger Williams Park Zoo is part of a select league of premium zoos accredited by the Association of Zoos and Aquariums – a high honor that only around 10% of American zoos can claim! We also are American Humane certified, and are a leader in species conservation through projects like the American Burying Beetle and New England Cottontail initiatives. When you choose RWPZ, you choose an organization dedicated to protecting wild life and wild places.
- **We are committed to increasing outreach and accessibility:** In recent years, RWPZ underscored its commitment to inclusion by offering multiple sensory-friendly programs, opportunities and events (many of which are at no added fee!). And now by signing onto our virtual program, you can safely enjoy the zoo experience from anywhere.
- **We're here for the community, too!** We are a 501(c)(3) nonprofit, so we can only do the work we do with public support. We rely on your support to continue offering the community a top-notch on-site experience daily, while also expanding our conservation and education initiatives locally and beyond.
