2020- Part-time, Seasonal AV-Event Technician
Job Posting

Roger Williams Park Zoo of Providence, Rhode Island, one of the nation’s oldest zoos and exhibiting over 100 animal species, is currently recruiting for a part-time, seasonal, AV-Event Technician. This position is a base-level position and under the direct supervision of the Technical Systems Manager. The AV-Event Technician is responsible for maintaining and enhancing tasks and functions relevant to the sound, lighting, video and related computer equipment of the zoo.

RESPONSIBILITIES

- Troubleshooting related to sound, lighting and video, and computer-related functional processes.
- Setup and breakdown of sound, lighting, video and related equipment for all Zoo events.
- Maintenance of equipment checkout system, ensuring any equipment used is returned to its proper location.
- Maintain inventory of all sound, lighting, video and related equipment.
- Ensure all equipment is maintained in good working order and schedule equipment repair as needed.

CRITERIA

Experience and Education:
High school diploma plus one-year experience in a professional AV Technology environment or equivalent combination of education and experience required.

Skills and Aptitudes:

- Ability to make quick, responsible decisions and improvise when needed.
- Strong communication skills.
- Demonstrated ability to work independently or as part of a team.
- Ability to work in a faced-paced work environment with multiple time constraints.

Additional Requirements:

- Successful completion of a background check.
- Valid state driver’s license
• Ability to work outdoors under various weather conditions.
• Infrequent lifting and/or moving objects up to 50 pounds.
• Flexibility to work weekends, holidays and occasional evenings.

Interested candidates are encouraged to send a cover letter and resume to:
