 (Ages 6-11) Members: \$270 Non-members: \$295

Spring Adventures:

Most Extreme: We've circled the globe and we've found them – the most extreme, amazing, and unbelievable animals. In this wild week campers will discover that being the fastest, the biggest, and the weirdest are really adaptations to help ensure their survival.

Summer Adventures 8:30 AM – 3:30 PM Mon-Fri
 (Ages 6-10) Members: \$270 Non-members: \$295

of Summer Adventures Weeks:

That Animal's Got Talent: Reality TV stars can't compete with the superstars of the animal world. Dancing cranes, crooning whales, fashionable decorator crabs and beavers that build – campers will be dazzled by the amazing talents of animals. Vote for your favorite!

Myth Busting: Fact or Fiction: Is it true that an elephant can't jump? Can camels store water in their humps? Or are bats blind? Explore animal myths and misconceptions and prove them fact or fiction. One fact for sure: campers will have an incredible time!

Please number your first, second and third choice of sessions. There is a **maximum of one week per theme.**

CONSERVATION HEROES – Ages 11-13

Conservation Heroes 8:30 AM – 3:30 PM Mon-Fri
 (Ages 11-13) Members: \$270 Non-members: \$295

Investigating Ecosystems: Get tangled up in the complex web of ecosystem interactions! In this session campers will explore the delicate balance of these living systems and the challenges they face. We'll encounter resilient species, study changing populations, and discover that it's all connected.

Inspired By Nature: What do planes, solar panels, and medicine have in common? They were inspired by living things in nature! This camp will discover the ways in which nature has sparked innovation and shaped inventions. Taking inspiration from extraordinary animals at the Zoo, we'll explore problem solving through biomimicry design.

Please number your first, second and third choice of sessions. There is a **maximum of one week per theme.**
