

Does **Your Family** Want to **Save** Wild Animals and Wild Places?

Join the Earth Agents!

Spend fall helping Roger Williams Park Zoo inspire your neighbors to make the world a better place for animals and their habitats. Earth Agents are families who will organize and host an event in their community (digital or in-person following the state policies) to share simple ways to help our planet. That community can be friends, neighbors, a church group – however you define it. Roger Williams Park Zoo will provide everything needed to get started!

APPLICATION QUESTIONS

Why is your family applying to join the Roger Williams Park Zoo Earth Agents?

Is your family currently involved in any community groups, clubs or organizations? If so, please explain. If not, what are some venues/audiences you have access in your community?

Last Name: _____

There is no fee to join the Earth Agents, but **families are expected to attend a kick-off event on Saturday, November 7th**. Families agree to organize and host an event in their community, either digital or socially distant in-person following appropriate gathering mandates set by the state of Rhode Island between the dates of November 7th – December 11th. That community can be friends, neighbors, a church group – however you define it! Roger Williams Park Zoo will provide everything needed to get started. Please initial that you understand and agree to this commitment. _____

Please provide the names, ages, and t-shirt sizes of your team members (those that will attend November 7th event at the Zoo and play an active role in planning and/or facilitating your event). Don't forget yourself!
