Roger Williams Park Zoo of Providence, Rhode Island, one of the nation's oldest zoos and exhibiting over 100 animal species. Our culture is built on our core values -community, fun, innovation, diversity, integrity, sustainability, and excellence. We value our role in the community as a treasured place for families and a trusted resource for learning; we create a sense of community for our staff and contribute to the global conservation community. We provide a fun experience for our guests and believe that a fun environment is essential to create a great workplace. We are willing to take risks, to propose novel ideas and to think "out of the box". Bold dreams are welcome here. We act with respect toward all. We value diversity and are intolerant of bias. Integrity and honesty drive our business practices and our relationships with each other and our constituents. We are driven by our vision of greater sustainability in our environmental practices and in our business model. We believe that by establishing a sustainable financial base we can best achieve our goals. We are always striving for excellence. We work to exceed expectations in all areas. We welcome all who share our core values!

RWPZ is currently recruiting for part-time, seasonal, Visitor Services Ride Operator. Under general direction and supervision of the Director of Visitor Services, the employee in this position is primarily responsible for the safe operation of rides at Roger Williams Park Zoo and its sister site, Carousel Village. Rides currently include a Soaring Eagle zip ride and two all-ages premium train rides. Ride Operators must always ensure the safety of the space, which includes all guests, staff, and members of the public. The zoo provides training and a series of standard operating procedures for Ride Operators to reference and uphold in their position. This position is considered part time, year-round (majority of scheduled hours will be in April through early January), with at least 1 weekend day required per week, plus an assortment of days and nights expected.

RESPONSIBILITIES

- Daily testing of ride operating systems
- Daily inspections of equipment to detect for wear, tear and damage. Operators must notify applicable personnel of any concerns and the ride may close if major repairs are needed.
- Stop vehicle and de-board passengers in cases of emergency.
- Operate equipment that starts and shuts down the ride after allotted time.
- Operate an electric train with up to 4 cars in tight locations.
- Test ride daily before opening ride to patrons.

- Act as ride ambassador when communicating with patrons, including, but not limited to, answering patron inquiries and providing information about the facilities and experience.
- Collect tickets for each ride.
- Ensure appropriate number of patrons admitted to the ride.
- Assist patrons entering and exiting the ride, including loading and unloading customers onto rides in a safe and efficient manner.
- Ensure all patrons, adults and children, meet the appropriate safety requirements (including height and weight requirements) of each ride.
- Provide riders with directions for safety fastening devices and check riders are secured in seats.
- Explain any applicable safety procedures to riders.
- Enforce all safety regulations and stay current with safety and standard operating rules and procedures.
- Clean and disinfect ride and clean up debris around ride after every ride cycle and prior to any riders entering the ride area.
- Monitor patrons during the ride to ensure their safety.
- Arrange for removal of disruptive patrons from the ride area.
- Perform minor repairs, adjustments or maintenance tasks such as oiling and lubricate parts, as needed and called for by manufacturer's instructions.
- Provide support to other RWPZ staff members as needed.
- Perform other tasks as assigned by the Director of Visitor Services, manager on duty, and/or other zoo employees.
