Visitor Services Ride Operator
Job Posting

Roger Williams Park Zoo (RWPZ) of Providence, Rhode Island, is one of the nation’s oldest zoos, exhibiting over 100 animal species. Our culture is built on our core values - community, fun, innovation, diversity, integrity, sustainability, and excellence. We value our role in the community as a treasured place for families and a trusted resource for learning; we create a sense of community for our staff and contribute to the global conservation community. We provide a fun experience for our guests and believe that a fun environment is essential to create a great workplace. We are willing to take risks, to propose novel ideas and to think “out of the box”. Bold dreams are welcome here. We act with respect toward all, and we value diversity. Integrity and honesty drive our business practices and our relationships with each other and our constituents. We are driven by our vision of greater sustainability in our environmental practices and in our business model. We believe that by establishing a sustainable financial base we can best achieve our goals. We are always striving for excellence. We work to exceed expectations in all areas.

RWPZ is currently recruiting for a part-time, year-round, non-exempt, Visitor Services Ride Operator. Under the general direction and supervision of the Visitor Services Manager, the employee in this position is primarily responsible for the safe operation of rides at Roger Williams Park Zoo and its sister site, Carousel Village. Rides currently include a carousel, Soaring Eagle zip ride and two all-ages premium train rides. Ride Operators must always ensure the safety of the space, which includes all guests, staff, and members of the public. The zoo provides ample training and a series of standard operating procedures for Ride Operators to reference and uphold in their position. This position is considered part-time, year-round (primarily April – November), with at least 1 weekend day required per week, plus an assortment of days and nights expected.
