Common Questions

May I enroll my child in a camp for an older/younger age group?

No. Campers must be the minimum age of each camp at the time of attending camp. These requirements are not negotiable and are strictly enforced. RWPZoo reserves the right to cancel your registration if your camper does not meet the minimum age requirement. Exceptions are made only for children with special needs and must be approved by the ZooCamp Director.

Can my child & their friend/sibling/relative be in the same group?

In order to ensure that all campers receive age-appropriate opportunities, campers are grouped by age. Special requests to pair relatives or friends in the same group may be made at time of

registration, but we follow strict guidelines on age ranges.

Requests are not guaranteed & no changes to groups will be made less than two weeks prior to the camp start date.

Can I register my camper for more than one week?

Campers may be registered for a maximum of one session of each camp theme. If a duplicate registration is made, RWP Zoo reserves the right to cancel your registration.

May I register other family members & friends?

No. Children must be registered by a parent, legal guardian or grandparent. Please do not register friends, neighbors, etc. as this will make you the primary emergency contact & responsible for all medical & registration information. Children must be registered by a legal guardian.

Important Information A - Z

Information on all 2024 camps —Tadpole, Adventures, and Conservation Heroes — is covered in these pages. Please read carefully and share any necessary information with your camper(s). We look forward to a great year of ZooCamp at Roger Williams Park Zoo!

Quick Tips for a Great ZooCamp Experience

- ★ Clothing should always be appropriate for the weather – all camps will spend their entire camp experience outside.
- ★ Shoes must always be closed-toe & fit well. We do a lot of walking each day of ZooCamp! No flip-flops, sandals or Crocs, please.
- ★ Meals – please see “Snacks & Lunches” for details. Snacks are not provided for any of our camps due to the frequency of allergies & special dietary concerns. Lunches are available for pre-order from our onsite vendor, Service System Associates.
- ★ Late arrivals or early departures disrupt camp and cause staff to be pulled away from programming. Please make every effort to respect the camp schedule.

Absent Campers

If your child will be absent, please leave a message at 401-785-3510 x 394 with your child’s name & group. There are no refunds or make up days for missed camp days.

Arriving Late & Leaving Early

Late arrivals or early departures disrupt camp & cause staff to be pulled away from programming, and result in missed tours, animal encounters, or other activities for your camper. Please make every effort to respect the camp schedule. If necessary, late arrivals or early departures must be arranged in advance. Fees may apply.

Important Information A - Z

Animal Contact

Campers in all ZooCamps will have up-close encounters with education animals. These encounters are subject to change based on the ongoing pandemic. If at any time ZooCamp staff feels a group is not following ZooCamp Expectations, these animal encounters may be ended.

Each camper will also have the opportunity to feed the goats in the Alex and Ani Farmyard. For the safety of all, direct contact with other exhibit animals is not possible. All animal care is done

by professionally trained zookeepers. Also due to safety, limited space, the availability of zookeepers & the sensitive nature of many of our endangered species, we are not able to offer behind-the-scenes tours for camps.

After Care

AfterCare is not an extension of the camp program, but is a supervised playtime designed for guardians who need additional time to get to and from work or other commitments.

In all camp seasons, AfterCare is offered Monday – Friday 3:30 pm – 5:30 pm. Campers must be preregistered for aftercare at least 2 weeks prior to their week of camp. The cost is \$100 for the full week. AfterCare is not available to Tadpole Academy campers.

“My daughter said everything was her favorite part! She had an amazing time and came out of so many of her comfort zones. Thank you!”
–2023 ZooCamp Parent

It is recommended to send an additional snack with your camper if they are attending AfterCare. A additional fee of \$1/minute will be charged for campers not picked up by 5:30pm.

Camper Information & Special Needs

All children are welcome in Roger Williams Park Zoo programs. Please provide us with the tools necessary to give your child the best possible experience at ZooCamp by informing us of any & all special considerations prior to your child’s first day of camp. This may include information on allergies, accessibility concerns, behavioral, psychological or emotional conditions as well as any other special needs. Details of any Individualized Education Plans (IEP) or Behavior Plans used with your child at school can often be helpful.

To best enable our staff to provide your child with a valuable and successful experience, the information you provide will be shared with ZooCamp staff & teen volunteers unless you request otherwise. Details will not be shared with other ZooCamp participants without your permission.

While we will make every effort to accommodate all considerations, it is not possible for us to offer 1:1 attention. If your child requires an aide at school or a PASS worker, he/she may not attend ZooCamp without a non-parent aide.

Go Green for ZooCamp!

- ★ Bring a reusable water bottle.
- ★ Pack lunches in reusable containers.
- ★ Instead of purchasing individually wrapped snacks, buy a large bag & put smaller servings in reusable containers.

Important Information A - Z

CampBrain!

CampBrain is our Camp Management system to collect our campers medical information and parent authorizations. When you purchase your week of camp, you will be directed to our CampBrain software from your confirmation e-mail. You will need to make an account, select your campers week, and fill in their medical information and parent authorizations. Forms can be edited up until 2 weeks prior to your first day of camp, if the form is not completed 2 weeks prior to your first day of camp, it may result in cancellation of your registration. Parents are responsible for maintaining their Approved Pick-Up List and can access that all season long to make updates as needed. See page 21 for more information.

“Love how happy and enthusiastic the counselors were!” -2023 Camp Parent

Expectations

The Zoo is committed to ensuring that all children who attend ZooCamp are provided an atmosphere that fosters learning free of harassment or intimidation. Fun and safety are only possible when there are behavior guidelines that all campers agree to follow. You and your child are urged to inform any member of the Zoo staff of any conduct that is offensive or in contradiction to the Zoo’s commitment to a harassment-free environment.

All participants are expected to show respect for all animals, teachers, fellow students, themselves, Zoo staff, Zoo guests & Zoo facilities. Disruptive or dangerous behaviors & physical aggression are not acceptable. The following ZooCamp Expectations are displayed in the ZooCamp classroom and reviewed with the campers:

- ★ Raise your hand to talk
- ★ Listen, and follow directions quickly
- ★ Try new things
- ★ Be kind to others and to animals
- ★ Stay with your group
- ★ Keep hands out of the Zoo fountain
- ★ Use walking feet
- ★ Try your best
- ★ Keep hands, feet & objects to yourself
- ★ Clean up after yourself

Our teachers are professionals and they will use sound, positive management tools within their classes. If any camper does not respond to these measures, the camper will be reminded of the ZooCamp Expectations by the ZooCamp Director. If the problem behavior persists, we will communicate with the parents or guardians and the participant may be removed from the program with no refund of program fees. Extreme infractions may result in immediate dismissal at the discretion of the ZooCamp Director.

Important Information A - Z

Grouping

Campers will be grouped by age to ensure age appropriate instruction. Special requests to pair relatives or friends in the same group may be made at time of registration and will be accommodated as best as possible but are not guaranteed. Camp groups will be created two weeks before camp starts and will not be changed or altered once camp is in session.

Illnesses

Roger Williams Park Zoo reserves the right to refuse entrance to ZooCamp if a child is exhibiting symptoms including but not limited to those listed below. In the event a camper becomes ill while at ZooCamp, camp staff will notify the registering parent/guardian, followed by those listed as emergency contacts. For the well-being of everyone, if your child(ren) shows any of the following symptoms, you will be asked to pick up your child immediately:

- Fever of 100 degrees or more
- Pink eye
- Severe headache
- Ringworm
- Lice
- Muscle or body aches
- Chills

- Diarrhea
- Severe/persistent coughing
- Sore throat
- Nausea or Vomiting
- Fatigue
- Shortness of breath
- Lost of taste or smell

Campers may return to camp after they have been symptom free (without fever reducing medications).

If a camper is feeling ill at all, we ask that the camper not be brought to camp that day. Campers can generally return to camp, after being symptom free for 24 hours without fever reducing medications.

If a camper tests positive for Covid-19, they should stay home for at least 5 full days from the day they test if asymptomatic, or from the onset on symptoms if present. RIDOH also recommends masking through day 10.

If a camper has a known exposure to Covid-19, the RIDOH recommends monitoring for symptoms and masking for the next 10 days as well as testing 5 days after exposure.

A doctor's note must be provided before campers with signs of any contagious illnesses or lice may return to camp. No refunds will be issued for any missed days of camp.

There is always a risk for injuries, illness, property damage, and more when attending in-person camps. With you and your campers help, we can reduce the risk of personal injury, illness, property damage, and more.

(Updated 10/23/2024)

Important Information A - Z

Lunches & Snacks

Due to the high frequency of allergies & special dietary restrictions, Roger Williams Park Zoo does not provide any snacks during ZooCamp. For all camps, please send at least one snack. For campers enrolled in AfterCare, please send at minimum one additional snack.

ZooCamp does offer pre-paid lunch options for all full-day campers. For \$11.00/day, choose from a personal pizza, macaroni & cheese, or a hotdog, all with a bag of potato chips, fruit, and a drink. Ordered lunches will be prepared by our very own Chef Anthony and his team. Advanced ordering is required either during registration or during your morning camp check-in and no substitutions may be made. Allergen lists for all lunches can be found on the ZooCamp FAQ page at rwpzoo.org.

If not pre-ordering, please be sure to send a nutritious lunch for your campers. No foods will be refrigerated or heated. We suggest that all items be packed in reusable containers to minimize the amount of waste generated at ZooCamp. All campers will participate in the ZooCamp Trash Challenge, with trash being weighed at the end of each day's lunch. Our goal is to recycle, compost and reuse as much as possible!

In most instances, ZooCamp does not place restrictions on the types of food that can be sent to camp. However, if a high number of participants scheduled to attend a week of camp have food allergies, parents may be asked in advance to refrain from sending the item(s) in question for that week. We appreciate your understanding of these requests.

Medications—Including emergency medications

Any medication that is to be administered to a camper – including in an emergency (i.e. epinephrine, inhalers, etc) - must be given to the zoo Nurse at check-in on Monday in a prescription bottle with the following information clearly displayed: child's name, name of medication, and specific directions for administering medication. A "Medication Permission Slip" must also be completed at that time.

Staff

Staff are screened for excellence in programming for children. ZooCamp staff are required to have previous experience with children and many staff return year after year. All staff working with children undergo a federal background check prior to employment. Counselors are 18+ & are assisted by Junior Counselors age 16+. Paid staff are supported by volunteer Counselors-in-Training (CITs) ages 13-17.

Important Information A - Z

As an added layer of protection, a zoo Nurse is on zoo grounds from 9:00 am – 4:00 pm.

ODD WEEKS: Wild by Design

A 21st-century Zoo is a place for education, conservation, research and dragons! We'll discover careers at the Zoo, from zookeepers to exhibit designers to educators, and learn how working together can make a difference for animals & the environment. Campers will ask themselves "what would I do if I ran a Zoo?" and design their own!

Important Pick-Up Information NEW UPDATES

Campers will not be released to any individual not on the pre-approved pick-up list maintained by the parents on the CampBrain portal. When creating this list, please ensure **ALL** pertinent individuals are included, including **yourself**, parents, grandparents, etc. For the safety of all campers, *no exceptions to this policy will be made*. Parents may add to their camper's list throughout the season via CampBrain.

All approved individuals, including parents, must present a photo ID at time of pick-up **every day**. Please have ID's ready to save time. Campers will not be released to anyone without a valid ID or who has not been specified on the pick-up list.

Names on the photo ID must match the names on the pick-up list EXACTLY.

This includes middle names and suffixes. If it is on the ID, it needs to be on the list. Please be mindful of nicknames like Jim, Katie, Sue, etc, as they are often not how names appear on IDs. Confirm this with your pick-ups before it becomes an issue.

- ★ ZooCamp staff are **not** authorized to rely on “remembering” who you are.
- ★ ZooCamp staff are **not** empowered to edit your Approved Pick-Up List for you.
- ★ Parents are responsible for the accuracy of their Approved Pick-Up List as well as updating it.

Frequently Asked Questions

Can I visit the Zoo after dropping off my camper?

For your safety, please do not remain in the Zoo after dropping off your camper. Prior to the Zoo opening, preparations are underway that require the Zoo to be free of visitors. If you would like to visit the Zoo, please enter through the main admission gate at 10:00 am during winter camp and after 9:00 am during spring and summer camp.

May I enroll my child in a camp for an older/younger age group?

No. Campers must be the minimum age of each camp at the time of attending camp. Requirements are not negotiable and are strictly enforced. RWP Zoo reserves the right to cancel your registration if your camper does not meet the minimum age requirement. Exceptions are made only for children with special needs and must be approved by the ZooCamp Director.

Can my child and their friend/sibling/relative be in the same group?

In order to ensure that all campers receive age-appropriate opportunities, campers are grouped by age. Special requests to pair relatives or friends in the same group may be made at time of registration, but we follow strict guidelines on age ranges and grade levels.

Requests are not guaranteed and no changes to groups will be made less than two weeks before camp, this includes during morning check-in.

Can I get a refund if I change my mind or need to cancel?

Complete refunds minus a \$30.00 processing fee will be given up to February 1, 2024 for Winter ZooCamp and April 1, 2024 for Spring ZooCamp. **Absolutely no refunds will be made after these dates.**

Due to the high demand for camp spaces, we must adhere to the above cancellation policy. If your child is enrolled and you must cancel after the above listed dates for any reason, your registration fee is non-refundable unless a child on the waiting list can fill the space. In the event the cancelled slot is filled, a \$30.00 processing fee will be deducted from your refund.

Can I stay with my child?

All ZooCamps are designed for children who can remain in a group setting without parental involvement. Throughout the day, please do not meet or follow your child's tour group if out in the Zoo. This is very distracting for our campers & creates safety concerns.

Updated 2024 Policies

Don't be surprised by these updated policies!

Your Approved Pick Up-List

Parents provided an Approved Pick-Up List when registering their camper(s) on CampBrain. Only the individuals on this list with a matching valid photo ID in hand can pick-up the corresponding camper(s), even the parents.

Names must match IDs exactly.

Nicknames are not acceptable.

Example. If an ID says "Katherine", do **NOT** list "Kate" on the Approved Pick-Up List. Same with Matthew and Matt, etc. They must match exactly.

If an ID has a middle name, it must be included on the Approved Pick-Up List.

Many IDs/REAL IDs include middle names, check with anyone on your list before it becomes a problem.

If an ID has a suffix on it, it must be included on the Approved Pick-Up List.

Suffixes like Jr, Sr, III, etc. must be listed on the Approved Pick-Up List if they are on the ID.

Do not forget to add yourselves to the Approved Pick-Up List.

While your first and last name may be listed as a camp parent, you must also add your name as it appears on your ID to your Approved Pick-Up List.

A valid photo ID must be presented every day, every time, no exceptions.

-ZooCamp staff are **not** authorized to rely on "remembering" who you are.

-ZooCamp staff are **not** empowered to edit your Approved Pick-Up List for you.

-Parents **are** responsible for the accuracy of their Approved Pick-Up List and maintaining that.

-Please be considerate to the ZooCamp staff as they are working to provide a positive and safe environment for your camper.

Appendix One:

Roger Williams Park Zoo

ZooCamp Behavior Policy

ZooCamp at Roger Williams Park Zoo (RWPZ) is committed to providing a safe environment for campers of all abilities that fosters growth, learning, making friendships, and having fun. This atmosphere is only possible when behavior guidelines are followed by all campers. Guidelines are reviewed with campers at the beginning of each day and are displayed in all classrooms. Parents/guardians are encouraged to discuss these guidelines with their camper prior to the start of camp. At ZooCamp we...

- ★ Raise our hands
- ★ Listen with our listening ears
- ★ Try new things
- ★ Are kind to others and to animals
- ★ Stay with our groups at all times
- ★ Use our walking feet
- ★ Try our best every day
- ★ Keep our hands and feet to ourselves
- ★ Clean up after ourselves
- ★ Keep our hands out of the fountain

Discipline Policy

To ensure your camper is safe, having fun, and learning, all RWPZ ZooCamp staff are thoroughly trained in advance of and throughout the camp season. Staff are trained to reinforce positive behavior and attitudes, to empower campers to make correct choices, and to problem solve so that all campers have a positive ZooCamp experience.

Two examples of ZooCamp behavioral management strategies include:

- ★ ZooCamp All Stars: The awarding of stars for making good choices. Stars are posted on wall charts as visual reinforcement of positive behavior.
- ★ S.T.A.R Spot: This acronym stands for Smile, Take a breath, And Relax. A spot marked by a star is in each classroom and provides campers with a chance to self-regulate while still under the supervision of camp counselors. When ready to rejoin the group, campers that have used the S.T.A.R Spot earn a star.

Please support ZooCamp staff in providing your child with an exceptional experience by pro-actively providing details about behavior management tools or strategies successfully employed at home or at school so that those methods can be reinforced at ZooCamp if needed.

ZooCamp staff will always attempt to redirect negative behavior prior to moving to more progressive modes of handling behavioral issues as outlined below. If negative behavior persists and a campers' choices disrupt the camp experience for themselves and others in the group, staff will enact the RWPZ ZooCamp Behavior Policy. Staff will use discretion to accommodate for age and cognitive level.

Minor Infraction:

Example: disrespect is shown to fellow campers, staff, guests and/or animals.

1st offense: Verbal reminder of behavior expectations. Camper is given the chance to self-correct and make positive choices. The occurrence will be communicated to parents verbally at pick-up or in a note home.

2nd offense: Verbal reminder of behavior expectations & removal from current activity for 15 minutes to speak with ZooCamp Director. ZooCamp Director calls parent/guardian once camper has returned to the group to discuss the incident.

ZooCamp Counselor follows-up with parent/guardian at pick-up to solicit suggestions for strategies that have been successful at home and/or at school.

3rd offense: Camper is removed from activity and brought to speak with the ZooCamp Director. The ZooCamp Director decides whether the camper will be sent home early, miss an activity, or miss an animal encounter. In all cases, the parent/guardian is called with the camper and engaged in a three-way discussion. While missing an activity or waiting for pick-up, the ZooCamp Director and camper work together to identify strategies for making better choices and create a behavior plan. This plan is signed by the camper, ZooCamp Director, and parent/guardian. Camper is encouraged to return to camp the following day.

4th offense: If any significant behavior concern persists, camper is not following behavior plan, or a new behavior of concern is shown, camper is removed from the program and brought to the ZooCamp Director for dismissal. Camper is not permitted to return to ZooCamp for the remainder of the session. No refunds are given for removal from camp due to behavior.

All behaviors and conversations will be documented to allow for ZooCamp staff and parents/guardians to best identify strategies that will support campers in making positive choices. Campers will reset each week of ZooCamp unless dismissed for a serious infraction (see below).

Serious Infractions

Example: endangerment or intent to endanger own or other's well-being (human or animal).

1st offense: Camper is removed from activity and brought to ZooCamp Director for early dismissal. Parent/Guardian is called to pick up camper. While waiting for pick-up, the ZooCamp Director and camper will work together to identify strategies for making better choices and create a behavior plan. This plan is signed by the camper, ZooCamp Director, and parent/guardian. Camper is encouraged to return to camp the following day.

2nd offense: If camper repeats the dangerous behavior, is not following behavior plan, or a new negative behavior is shown, camper is removed from program, brought to ZooCamp Director, and parent/guardian is called for pick-up. Camper will be permanently dismissed from the program without refund.

Threats and harassment of any nature, possession of drugs, alcohol, and/or weapons, stealing, or serious injury to campers, staff member, or animals will result in an immediate dismissal without refund. If deemed necessary, proper authorities will be notified.

Considerations

RWPZ reserves the right to review each expulsion case by case to assess whether the camper will be allowed back, on probation, for subsequent weeks/camps. Any further registration of a camper dismissed from ZooCamp must be discussed with the ZooCamp Director prior to registration. RWPZ reserves the right to cancel registrations of a dismissed camper made without prior authorization by the ZooCamp Director.

ZooCamp is an inclusive experience that welcomes and supports children of all abilities. While the safety and quality experience of all campers is paramount, RWPZ ZooCamp Staff will consider individual camper needs in the enforcement of this behavior policy.

If at any point you have questions or concerns about this policy or would like to discuss strategies for supporting your camper at ZooCamp, please contact the ZooCamp Director at (401) 785-3510 x394.
