Part 1: Advanced Ticketing Policies

Ordering tickets: Those purchasing 10 or more paid tickets in a single order qualify for this discount. Toddlers are admitted for free but do still require a ticket so be sure to include accurate counts. All purchases are non-refundable. To order tickets, the completed contract and payment are both required. Please allow up to 72 hours for processing. Emailing both the contract and credit card payment information to GSales@rwpzoo.org is strongly recommended over postal mail.

Getting your tickets: Tickets are mailed upon receipt of payment. Please allow 7 – 10 business days to process your order. You may then distribute the tickets however you would like.

Ticket usage: Advanced tickets do not need to be scheduled for a specific date and time. Instead, the ticketholders can visit any day the zoo is open to the public for general daytime admission (hours at rwpzoo.org). Please note that while limited capacity timed entry ticketing is in place, non-scheduled tickets like these advanced tickets can only be accepted as long as the zoo has not exceeded capacity or sold out. These tickets do not expire and can be redeemed toward general daytime zoo admission only. They are not for special events, programs, or any other unique offering. All zoo policies apply.
