Common Questions

May I enroll my child in a camp for an older/younger age group?

No. Campers must be the minimum/maximum age of each camp at the time of attending camp. These requirements are not negotiable and are strictly enforced. RWPZoo reserves the right to cancel your registration if your camper does not meet the minimum age requirement or exceeds the maximum age requirement. Exceptions are made only for children with special needs and must be approved by the ZooCamp Administrator.

Can my child & their friend/sibling/relative be in the same group?

In order to ensure that all campers receive age-appropriate opportunities, campers are grouped by age. Special requests to pair relatives or friends in the same group may be made at time of registration, but we follow strict

guidelines on age ranges.

Requests are not guaranteed & no changes to groups will be made less than two weeks prior to the camp start date.

Can I register my camper for more than one week?

Campers may be registered for a maximum of one session of each camp theme. If a duplicate registration is made, RWP Zoo reserves the right to cancel your registration.

May I register other family members & friends?

No. Children must be registered by a parent, legal guardian or grandparent. Please do not register friends, neighbors, etc. as this will make you the primary emergency contact & responsible for all medical & registration information. Children must be registered by a legal guardian.

Important Information A - Z

Information on all 2026 winter and spring camps —Tadpole and Adventures, — is covered in these pages. Please read carefully and share any necessary information with your camper(s). We look forward to a great year of ZooCamp at Roger Williams Park Zoo!

Quick Tips for a Great ZooCamp Experience

- ★ Clothing should always be appropriate for the weather – all camps will spend majority of their camp experience outside (exceptions are made for extreme cold/heat)
- ★ Shoes must always be closed-toe & fit well. We do a lot of walking each day of ZooCamp! No flip-flops, sandals or Crocs, please.
- ★ Meals – please see “Snacks & Lunches” for details. Snacks are not provided for any of our camps due to the frequency of allergies & special dietary concerns. Lunches are available for pre-order from our onsite vendor, Service System Associates.
- ★ Late arrivals or early departures disrupt camp and cause staff to be pulled away from programming. Please make every effort to respect the camp schedule. In the event your camper(s) must be picked-up early, please arrive no later than 2:45 pm.

Absent Campers

If your child will be absent, please leave a message at 401-785-3510 x 352 with your child's name & group. There are no refunds or make up days for missed camp days.

Arriving Late & Leaving Early

Late arrivals or early departures disrupt camp & cause staff to be pulled away from programming, and result in missed tours, animal encounters, or other activities for your camper. Please make every effort to respect the camp schedule. If necessary, late arrivals or early departures must be arranged in advance. Fees may apply.

Important Information A - Z

A nimal Contact

Campers in all ZooCamps will have up-close encounters with education animals. These encounters are subject to change based on the ongoing pandemic. If at any time ZooCamp staff feels a group is not following ZooCamp Expectations, these animal encounters may be ended.

Each camper will also have the opportunity to feed the goats in the Alex and Ani Farmyard. For the safety of all, direct contact with other exhibit animals is not possible. All animal care is done by professionally trained zookeepers. Also due to safety, limited space, the availability of zookeepers & the sensitive nature of many of our endangered species, we are not able to offer behind-the-scenes tours for camps.

A fter Care

AfterCare is not an extension of the camp program, but is a supervised playtime designed for parents who need additional time to get to and from work or other commitments.

In all camp seasons, AfterCare is offered Monday – Friday 3:30 pm – 5:30 pm. Campers must be preregistered for aftercare at least 2 weeks prior to their week of camp. The cost is \$100 for the full week, \$30 per day for winter camp. AfterCare is not available to Tadpole Academy campers.

It is recommended to send an additional snack with your camper if they are attending AfterCare. A additional fee of \$1/minute will be charged for campers not picked up by 5:30pm.

Note regarding Before Care: ZooCamp does not offer BeforeCare.

C amper Information & Special Needs

All children are welcome in Roger Williams Park Zoo programs. Please provide us with the tools necessary to give your child the best possible experience at ZooCamp by informing us of any & all special considerations prior to your child's first day of camp. This may include information on allergies, accessibility concerns, behavioral, psychological or emotional conditions as well as any other special needs. Details of any Individualized Education Plans (IEP) or Behavior Plans used with your child at school can often be helpful.

To best enable our staff to provide your child with a valuable and successful experience, the information you provide will be shared with ZooCamp staff & teen volunteers unless you request otherwise. Details will not be shared with other ZooCamp participants without your permission.

While we will make every effort to accommodate all considerations, it is not possible for us to offer 1:1 attention. If your child requires an aide at school or a PASS worker, they may not attend ZooCamp without a non-parent aide.

Go Green for ZooCamp!

- ★ Bring a reusable water bottle.
- ★ Pack lunches in reusable containers.
- ★ Instead of purchasing individually wrapped snacks, buy a large bag & put smaller servings in reusable containers.

Important Information A - Z

CampBrain!

When you purchase your week of camp, you will be directed to our CampBrain software from your confirmation e-mail!. ou will need to make an account, select your campers week, and fill in their medical information and parent authorizations. Forms can be edited up until 2 weeks prior to your first day of camp, if the form is not completed 2 weeks prior to your first day of camp, it may result in cancellation of your registration. Parents are responsible for maintaining their Approved Pick-Up List and can access that all season long to make updates as needed. See page 18 for more information.

Expectations

The Zoo is committed to ensuring that all children who attend ZooCamp are provided an atmosphere that fosters learning free of harassment or intimidation. Fun and safety are only possible when there are expectations that all campers agree to follow. You and your child are urged to inform any member of the Zoo staff of any conduct that is offensive or in contradiction to the Zoo's commitment to a harassment-free environment.

All participants are expected to show respect for all animals, teachers, fellow students, themselves, Zoo staff, Zoo guests & Zoo facilities. Disruptive or dangerous behaviors & physical aggression are not acceptable. The following ZooCamp Expectations are displayed in the ZooCamp classroom:

- ★ Raise your hand to talk
- ★ Listen, and follow directions quickly
- ★ Try new things
- ★ Be kind to others and to animals
- ★ Stay with your group
- ★ Keep hands out of the Zoo fountain
- ★ Use walking feet
- ★ Try your best
- ★ Keep hands, feet & objects to yourself
- ★ Clean up after yourself

Our teachers are professionals and they will use sound, positive management tools within their classes. If any camper does not respond to these measures, the camper will be reminded of the ZooCamp Expectations by the ZooCamp Administrator. If the problem behavior persists, we will communicate with the parents or guardians and the participant may be removed from the program with no refund of program fees. Extreme infractions may result in immediate dismissal at the discretion of the ZooCamp Administrator.

Important Information A - Z

Grouping

Campers will be grouped by age to ensure age appropriate instruction. RWPZoo reserves the right to cancel your registration if your camper does not meet the minimum age requirement or exceeds the maximum age requirement. Exceptions are made only for children with special needs and must be approved by the ZooCamp Administrator.

Special requests to pair relatives or friends in the same group may be made at time of registration and will be accommodated as best as possible but are not guaranteed. Camp groups will be created two weeks before camp starts and will not be changed or altered once camp is in session.

Illnesses

Roger Williams Park Zoo reserves the right to refuse entrance to ZooCamp if a child is exhibiting symptoms including but not limited to those listed below. In the event a camper becomes ill while at ZooCamp, camp staff will notify the registering parent/guardian, followed by those listed as emergency contacts. For the well-being of everyone, if your child(ren) shows any of the following symptoms, you will be asked to pick up your child immediately:

- Fever of 100 degrees or more
- Pink eye
- Severe headache
- Ringworm
- Lice
- Muscle or body aches
- Chills

- Diarrhea
- Severe/persistent coughing
- Sore throat
- Nausea or Vomiting
- Fatigue
- Shortness of breath
- Loss of taste or smell

Campers who are dismissed early for illness may return to camp after they have been symptom free (without fever reducing medications) for 24 hours.

If a camper is feeling ill at all, we ask that the camper not be brought to camp that day. Campers can generally return to camp, after being symptom free for 24 hours without fever reducing medications.

If a camper tests positive for Covid-19, they should stay home for at least 5 full days from the day they test if asymptomatic, or from the onset on symptoms if present. RIDOH also recommends masking through day 10.

If a camper has a known exposure to Covid-19, the RIDOH recommends monitoring for symptoms and masking for the next 10 days as well as testing 5 days after exposure.

A doctor's note must be provided before campers with signs of any contagious illnesses or lice may return to camp. No refunds will be issued for any missed days of camp.

There is always a risk for injuries, illness, property damage, and more when attending in-person camps. With you and your campers help, we can reduce the risk of personal injury, illness, property damage, and more.

Important Information A - Z

Lunches & Snacks

Due to the high frequency of allergies & special dietary restrictions, Roger Williams Park Zoo does not provide any snacks during ZooCamp. For all camps, please send at least one snack. For campers enrolled in AfterCare, please send one additional snack.

ZooCamp does offer pre-paid lunch options for all full-day campers. For \$15.00/day, choose from a personal pizza, macaroni & cheese, or a hotdog, all with a bag of potato chips, fruit, and a drink. Ordered lunches will be prepared by our very own Chef Nicole and her team. Advanced ordering is required either during registration or during your morning camp check-in and no substitutions may be made. Allergen lists for all lunches can be found on the ZooCamp FAQ page at rwpzoo.org.

If not pre-ordering, please be sure to send a nutritious lunch for your campers. No foods will be refrigerated or heated. We suggest that all items be packed in reusable containers to minimize the amount of waste generated at ZooCamp. All campers will participate in the ZooCamp Trash Challenge, with trash being weighed at the end of each day's lunch. Our goal is to recycle, compost and reuse as much as possible!

In most instances, ZooCamp does not place restrictions on the types of food that can be sent to camp. However, if a high number of participants scheduled to attend a week of camp have food allergies, parents may be asked in advance to refrain from sending the item(s) in question for that week. We appreciate your understanding of these requests.

“My three children look forward to this camp ALL year. The oldest has been coming for 7 years, our middle 5 and this is our youngest second year. It’s our favorite camp.” - 2025 ZooCamp Parent

Medications—Including emergency medications

Any medication that is to be administered to a camper – including in an emergency (i.e. epinephrine, inhalers, etc) - must be given to the zoo Nurse at check-in on Monday in a prescription bottle with the following information clearly displayed: child's name, name of medication, and specific directions for administering medication. A “Medication Permission Slip” must also be completed at that time.

Staff

Staff are screened for excellence in programming for children. ZooCamp staff are required to have previous experience with children and many staff return year after year. All staff working with children undergo a federal background check prior to employment. Counselors are 18+ & are assisted by Junior Counselors age 16+. Paid staff are supported by volunteer Counselors-in-Training (CITs) ages 13-17.

Important Information A - Z

Stray Materials

Items are turned in to the central Zoo lost & found at the end of each camp week. To check on lost items after your child's week at camp, call 401-785-3510 x300.

Sunscreen

Campers should come equipped with sunscreen that can be reapplied throughout the day without grown-up assistance. Please refrain from aerosol spray sunscreens. Sun protection gear does not replace sunscreen, hats and other gear are recommended.

Supervision & Safety

At no time is any child left unsupervised. All camp counselors are first aid, CPR, and AED trained. Additionally, the Zoo's full-time security staff are certified in first aid and will respond immediately to any emergency situation. As an added layer of protection, a zoo Nurse is on zoo grounds from 9:00 am – 4:00 pm.

T-shirts

Campers are required to wear ZooCamp t-shirts every day. This is a safety precaution & allows us to recognize campers easily among other visitors. Each child receives one t-shirt with each full week's registration with extra t-shirts available for purchase. T-shirts will be distributed the first day of camp. T-shirts are only included with full week camp registrations.

If a camper does not come to camp with their t-shirt Tuesday – Friday, the shirt must be brought to camp or a new one purchased for \$12. This is to ensure your camper's safety and exceptions will not be made.

Frequently Asked Questions

Can I visit the Zoo after dropping off my camper?

For your safety, please do not remain in the Zoo after dropping off your camper. Prior to the Zoo opening, preparations are underway that require the Zoo to be free of visitors. If you would like to visit the Zoo, please enter through the main admission gate at 10:00 am.

May I enroll my child in a camp for an older/younger age group?

No. Campers must be at least the minimum age and no older than the maximum age of each camp at their time of attending. Requirements are not negotiable and are strictly enforced. RWP Zoo reserves the right to cancel your registration if your camper does not meet the minimum age requirement. Exceptions are made only for children with special needs and must be approved by the ZooCamp Administrator.

Can my child and their friend/sibling/relative be in the same group?

In order to ensure that all campers receive age-appropriate opportunities, campers are grouped by age. Special requests to pair relatives or friends in the same group may be made at time of registration, but we follow strict guidelines on age ranges and grade levels.

Requests are not guaranteed and no changes to groups will be made less than two weeks before camp, this includes during morning check-in.

Can I get a refund if I change my mind or need to cancel?

Complete refunds minus a \$30.00 processing fee will be given up to February 1, 2026 for Winter ZooCamp and April 1, 2026 for Spring ZooCamp. **Absolutely no refunds will be made after these dates.**

Due to the high demand for camp spaces, we must adhere to the above cancellation policy. If your child is enrolled and you must cancel after the above listed dates for any reason, your registration fee is non-refundable unless a child on the waiting list can fill the space. In the event the cancelled slot is filled, a \$30.00 processing fee will be deducted from your refund.

Can I stay with my child?

All ZooCamps are designed for children who can remain in a group setting without parental involvement. Throughout the day, please do not meet or follow your child's tour group if out in the Zoo. This is very distracting for our campers & creates safety concerns.

Names must match IDs exactly.

Nicknames are not acceptable.

Example. If an ID says "Katherine", do **NOT** list "Kate" on the Approved Pick-Up List. Same with Matthew and Matt, etc. They must match exactly.

If an ID has a middle name, it must be included on the Approved Pick-Up List.

Many IDs/REAL IDs include middle names, check with anyone on your list before it becomes a problem.

If an ID has a suffix on it, it must be included on the Approved Pick-Up List.

Suffixes like Jr, Sr, III, etc. must be listed on the Approved Pick-Up List if they are on the ID.

Do not forget to add yourselves to the Approved Pick-Up List.

While your first and last name may be listed as a camp parent, you must also add your name as it appears on your ID to your Approved Pick-Up List.

A valid photo ID must be presented every day, every time, no exceptions.

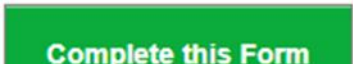

-ZooCamp staff are **not** authorized to rely on "remembering" who you are.

-ZooCamp staff are **not** empowered to edit your Approved Pick-Up List for you.

-Parents **are** responsible for the accuracy of their Approved Pick-Up List and maintaining that.

-Please be considerate to the ZooCamp staff as they are working to provide a positive and safe environment for your camper.

Roger Williams Park Zoo

ZooCamp Safety Policy

ZooCamp at Roger Williams Park Zoo (RWPZ) is committed to providing a safe environment for all campers that fosters growth, learning, making friendships, and having fun. This atmosphere is only possible when everyone that participates in ZooCamp, including but not limited to campers, guardians of campers, and staff are committed to safety. Expectations for campers are reviewed at the beginning of each day and are displayed in all classrooms. We ask parents/guardians to discuss these expectations with their camper prior to the start of camp. At ZooCamp we...

- ★ Respecting others when they are speaking
- ★ Listen with our listening ears
- ★ Try new things
- ★ Are kind to others and to animals
- ★ Stay with our groups at all times
- ★ Use our walking feet
- ★ Try our best every day
- ★ Keep our hands and feet to ourselves
- ★ Clean up after ourselves
- ★ Keep our hands out of the fountain
- ★ Following directions from Camp Staff

In Case of Unsafe Behavior

To ensure your camper is safe, having fun, and learning, all RWPZ ZooCamp staff are thoroughly trained in advance of and throughout the camp season. Staff are trained to reinforce positive behavior and attitudes, to empower campers to make correct choices, and to problem solve so that all campers have a safe ZooCamp experience.

Two examples of ZooCamp behavioral management strategies include:

- ★ ZooCamp All Stars: The awarding of stars for making good choices. Stars are posted on wall charts as visual reinforcement of positive behavior. Campers are encouraged to give each other stars as well as counselors.
- ★ Quiet space: campers have access to a quiet area in the education center that has supplemental tools to help campers who may need a break, needs help refocusing, or to have additional time on a project or craft.

Please support ZooCamp staff in providing your child with an exceptional experience by pro-actively providing details about behavior management tools or strategies successfully employed at home or at school so that those methods can be reinforced at ZooCamp if needed.

ZooCamp staff will always attempt to redirect negative behavior prior to moving to more progressive modes of handling behavioral issues as outlined below. If negative behavior persists and a campers' choices disrupt the camp experience for themselves and others in the group or compromises camp safety, staff will enact the RWPZ ZooCamp Safety Policy. Staff will use discretion to accommodate for age and cognitive level.

Minor Safety Infraction:

Example: disrespect is shown to fellow campers, staff, guests and/or animals.

1st offense: Verbal reminder of camp expectations. Campers are given the chance to self-correct and make positive choices. The occurrence will be communicated to parents verbally at pick-up or in a phone call.

2nd offense: Verbal reminder of camp expectations & removal from current activity for 15 minutes to speak with ZooCamp Administrator in the camp office. ZooCamp Administrator calls parent/guardian once camper has returned to the group to discuss the incident. ZooCamp Counselor follows-up with parent/guardian at pick-up to solicit suggestions for strategies that have been successful at home and/or at school.

3rd offense: Camper is removed from activity and brought to speak with the ZooCamp Administrator in the camp office. The ZooCamp Administrator decides whether the camper will be sent home early, miss an activity, or miss an animal encounter. In all cases, the parent/guardian is called while the camper is in the office and engaged in a three-way discussion. While missing an activity or waiting for pick-up, the ZooCamp Administrator and camper work together to identify strategies for making better choices and create a safety plan. This plan is signed by the camper, ZooCamp Administrator, and parent/guardian. Campers are encouraged to return to camp the following day.

4th offense: If any significant safety concern persists, camper is not following safety plan, or a new behavior of concern is shown, camper is removed from the program and brought to the ZooCamp Administrator for dismissal. Camper is not permitted to return to ZooCamp for the remainder of the session. No refunds are given for removal from camp due to behavior.

All behaviors and conversations will be documented to allow for ZooCamp staff and parents/guardians to best identify strategies that will support campers in making positive choices. Campers will reset each week of ZooCamp unless dismissed for a serious infraction (see below).

Serious Safety Infractions

Example: endangerment or intent to endanger own or other's well-being (human or animal).

1st offense: Camper is removed from activity and brought to ZooCamp Administrator for early dismissal. Parent/Guardian is called to pick up camper. While waiting for pick-up, the ZooCamp Administrator and camper will work together to identify strategies for making better choices and create a safety plan. This plan is signed by the camper, ZooCamp Administrator, and parent/guardian. Camper is encouraged to return to camp the following day.

2nd offense: If camper repeats the dangerous behavior, is not following safety plan, or a new unsafe behavior is shown, camper is removed from program, brought to ZooCamp Administrator, and parent/guardian is called for pick-up. Camper will be permanently dismissed from the program without refund.

Threats and harassment of any nature, possession of drugs, alcohol, and/or weapons, stealing, or serious injury to campers, staff member, or animals will result in an immediate dismissal without refund. If deemed necessary, proper authorities will be notified.

Considerations

RWPZ reserves the right to review each expulsion case by case to assess whether the camper will be allowed back, on probation, for subsequent weeks/camps. Any further registration of a camper dismissed from ZooCamp must be discussed with the ZooCamp Administrator prior to registration. RWPZ reserves the right to cancel registrations of a dismissed camper made without prior authorization by the ZooCamp Administrator.

ZooCamp is an experience that welcomes and supports children of all abilities. While the safety and quality experience of all campers is paramount, RWPZ ZooCamp Staff will consider individual camper needs in the enforcement of this safety policy.

If at any point you have questions or concerns about this policy or would like to discuss strategies for supporting your camper at ZooCamp, please contact the ZooCamp Administrator at (401) 785-3510 x352.
