Registration

Zoo-cation Day camp registration opens at rwpzoo.org on Wednesday, August 12th. Registration for Summer Camp 2027 will open early next year. All registrations close one week prior to the desired day of camp. Camps may sell out before registration deadlines.

To Register

The best way to register for ZooCamp is on our website. Both members & non-members must set-up an account on our website before registering. Members, please use the same email address that is linked to your membership in order to receive your discount! If you need to pay by check, please contact programs@rwpzoo.org for mail-in registration and medical forms.

Member Discount

Members receive discounts on all ZooCamps! When you sign-in to your account, this discount will automatically apply in your cart. To become a member, visit our website or call 401-785-3510 x 375 Mon-Fri. You may not receive your new membership number immediately-if it is delayed or you become a member after registering, a credit can be received by providing your new membership number to programs@rwpzoo.org or 401-785-3510 x 358, within two weeks of registration.

Cancellations & Refunds

Complete refunds minus a \$15.00 fee will be given up to two weeks prior to your date of camp. Absolutely no refunds will be provided after these dates.

Due to the high demand for camp spaces, we must adhere to the above cancellation policy. If your child is enrolled and must cancel after the above dates for any reason, your ZooCamp registration is non-refundable unless a child on the waiting list can fill the space. In the event the cancelled slot is filled, a \$15.00 fee will be deducted from your refund.

Any camper that does not meet the minimum/maximum age requirement for their registered group, will have their registration cancelled.

Waiting List

Please contact 401-785-3510 x 358 to be placed on the waiting list. If a space becomes available, the first person on the list will be contacted & given 12 hours to respond. If no response is received within 12 hours, the next person on the list will be contacted.

Registration FAQ's

May I enroll my child in a camp for an older/younger age group?

No. Campers must be the at least the minimum and no older than the maximum age of each camp at the time of attending. These requirements are not negotiable and are strictly enforced. RWPZoo reserves the right to cancel your registration if your camper does not meet the minimum/maximum age requirement. Exceptions are only made for children with special needs and must be approved by the ZooCamp Administrator.

Can my child & their friend/sibling/relative be in the same group?

In order to ensure that all campers receive age-appropriate opportunities, campers are grouped by age. Special request to pair relatives or friends in the same group may be made at the time of registration, but we follow strict guidelines on age ranges. Requests are not guaranteed & no changes to groups will be made less than two weeks prior to the camp start date.

Can I register my camper for more than one week?

Campers may be registered for a maximum of one session of each theme (2 weeks total). If a duplicate registration is made, RWPZoo reserves the right to cancel your registration.

May I register other family members & friends?

No. Children must be registered by a parent or legal guardian. Please do not register friends, neighbors, etc. as this will make you the primary emergency contact & responsible for all medical & registration information.

Important Information A-Z

Quick Tips for a Great ZooCamp Experience

- Clothing should always be appropriate for the weather-all camps will spend their camp experience outside.
- Shoes must always be closed-toe & fit well. We do a lot of walking each day at ZooCamp! Please no flip-flops, sandals or crocs.
- Snacks are not provided for any of our camps due to the frequency of allergies & special dietary concerns. Lunches are available for pre-order (please see “snacks & lunches” for details).

Absent Campers

If your child will be absent, please leave a message at 401-785-3510 x 352 with your child's name & group. There are no refunds or make up days for missed camp time.

Arriving Late & Leaving Early

Late arrivals or early departures disrupt camp & cause staff to be pulled away from programming. Please make every effort to respect the camp schedule. If necessary, late arrivals or early departures must be arranged in advance. No early pick-ups will be conducted after 2:45 pm.

Important Information A-Z

Animal Contact

Campers in all ZooCamps will have up-close encounters with education animals. If at any time ZooCamp staff feels a group is not following ZooCamp Expectations, these animal encounters may be ended.

Each camper will also have the opportunity to feed the goats in the Alex and Ani Farmyard and meet our 9-banded armadillos in the Connection Corner. For the safety of all, direct contact with other exhibit animals is not possible. All animal care is done by professionally trained zookeepers. Due to safety, limited space, the availability of zookeepers & the sensitive nature of many of our endangered species, we are not able to offer behind-the-scenes tours for camps.

After Care

Aftercare is not an extension of the camp program, but a supervised playtime designed for parents/guardians who need additional time to get to and from work or other commitments.

In all camp seasons, AfterCare is offered Monday-Friday, 3:30-5:30 pm. Campers must be pre-register for aftercare at least 2 weeks prior to their week of camp. The cost is \$30 per day for each Zoo-Cation Day Camp. Tadpole Academy campers may not register for After Care.

Camper Information & Special Needs

All children are welcome in Roger Williams Park Zoo programs. Please provide us with the tools necessary to give your child the best possible experience at ZooCamp, by informing us of any & all special considerations prior to the first day of camp. This may include information on allergies, accessibility concerns, behavioral, psychological or emotional, as well as any other special needs. Details of an Individualized Education Plan (IEP) or Behavior Plan used with your child at school can often be helpful.

To best enable our staff to provide your child with a valuable and successful experience, the information you provide will be shared with ZooCamp staff & teen volunteers, unless you request otherwise. Details will not be shared with other ZooCamp participants without your permissions.

If a parent/guardian believes their child needs an accommodation, including but not limited to an aide, a request must be made to the ZooCamp Administrator. Requests to bring 1:1 non-parent/guardian aides into ZooCamp will be reviewed by the Rhode Island Zoological Society (RIZS). Any third-party aide approved by the RIZS to be on zoo grounds must be screened and, as applicable, may need additional training to ensure RIZS abides by all of its obligations to other program participants. Approved aides must submit a Rhode Island BCI check at least three weeks prior to the desired start date of the aide, and the BCI check cannot be older than three months from the date of submission.

CampBrain!

CampBrain is our camp management system to collect camper medical information and parent/guardian authorizations. Following completion of registration, you will be directed to our CampBrain portal from your confirmation e-mail. You will need to make an account, select your campers week(s), and fill in their medical information and parent/guardian authorizations. Forms can be edited up to 2 weeks prior to your first day of camp. If the forms are not completed within 48 hours of your camp purchase, it may result in cancellation of your registration. Guardians are responsible for maintaining their “Approved Pick-Up List” which can be accessed all season to make updates as needed. Please see page 21 for more information. (Important Note: CampBrain cannot be used to purchase registrations. It should only be completed once you have registered on our website)

Expectations

The zoo is committed to ensuring that all children who attend ZooCamp are provided with an atmosphere that fosters learning free of harassment or intimidation. Fun and safety are only possible when there are behavior guidelines that all campers agree to follow. You and your child are urged to inform ZooCamp staff of any conduct that is offensive or in contradiction of the zoo’s commitment to a harassment-free environment.

All participants are expected to show respect for all animals, teachers, peers, themselves, Zoo staff, Zoo guests, and Zoo facilities. Disruptive or dangerous behaviors & physical aggression are not acceptable. The following ZooCamp Expectations are displayed in the ZooCamp classroom and reviewed with campers on the first day of camp and throughout the week as needed.

- Raise your hand to talk
- Listen, and follow directions quickly
- Try new things
- Be kind to others and to animals
- Stay with the group
- Use walking feet
- Try our best
- Keep hands, feet, & objects to yourself
- Clean up after yourself

Our teachers are professionals and they will use sound, positive management tools within their classes. If any camper does not respond to these measures, the camper will be reminded of the ZooCamp Expectations by the ZooCamp Administrator. If the behavior persists, we will communicate with parents/guardians and the participant may be removed from the program with no refund off program fees. Extreme infractions may result in immediate dismissal at the discretion of the ZooCamp Administrator.

Grouping

Campers will be grouped by age to ensure age appropriate instruction. RWPZoo reserves the right to cancel your registration if your camper does not meet the minimum age requirement or exceeds the maximum age requirement. Exceptions are made only for children with special needs and must be approved by the ZooCamp Administrator.

Special request to pair relatives or friends in the same group may be made at time of registration and will be accommodated as best as possible, but are not guaranteed. Camp groups will be created two weeks before camp starts and will not be changed or altered once camp is in session.

Illnesses

Roger Williams Park Zoo reserves the right to refuse entrance to ZooCamp if a child is exhibiting symptoms including but not limited to those listed below. In the event a camper becomes ill while at ZooCamp, camp staff will notify the registering parent/guardian, followed by those listed as emergency contacts. For the well-being of everyone, if your child(ren) shows any of the following symptoms, you will be asked to pick up your child immediately

- | | |
|--|---|
| <ul style="list-style-type: none">• Fever of 100 degrees or more• Pink eye• Severe headache• Ringworm• Lice• Muscle or body aches | <ul style="list-style-type: none">• Chills• Diarrhea• Severe/persistent coughing• Sore throat• Nausea or vomiting• Fatigue |
|--|---|

Campers may return to camp after they have been symptom free (without fever reducing medications) for 24 hours. If a camper is feeling ill at all, we ask that the camper not be brought to camp that day. Campers can generally return to camp, after being symptom free for 24hours without fever reducing medications.

A doctor's note must be provided before campers with signs of any contagious illnesses or lice may return to camp. No refunds will be issued for any missed days of camp. There is always a risk for injuries, illness, property damage, and more when attending in-person camps. With you and your campers help, we can reduce the risk of personal injury, illness, property damage, and more.

Lunches & Snacks

Due to the high frequency of allergies & special dietary restrictions, RWPZoo does not provide any snacks during ZooCamp. For all camps, please send at least one snack. For campers enrolled in AfterCare, please send at minimum one additional snack.

ZooCamp does offer pre-paid lunch options for all full-day campers. For \$15.00/day, choose from a personal pizza, macaroni & cheese, or a hot dog, served with chips, fruit, and a drink. Ordered lunches will be prepared by our very own Chef Nicole and her team. Advanced ordering is required either during registration or morning camp check-in. No substitutions may be made after morning check-in. Allergen lists for all lunches can be found on the ZooCamp FAQ pages at rwpzoo.org.

If not pre-ordering, please be sure to send a nutritious lunch for your camper(s). No foods may be refrigerated or heated. We suggest that all items be packed in reusable containers to minimize the amount of waste generated at the end of each day's lunch. Our goal is to recycle, compost and reuse as much as possible!

In most instances, ZooCamp does not place restrictions on the types of food that can be sent to camp. However, if a high number of participants scheduled to attend a week of camp have food allergies, parents/guardians may be asked in advanced to refrain from sending the item(s) in question for that week. We appreciate your understanding of these requests.

Medications & Emergency Medications

Any medication that is to be administered to a camper-including in an emergency (i.e. epi-pens, inhalers, etc.)- must be given to the Zoo Nurse at check-in on Monday. The medication must be in a prescription bottle with the following information clearly displayed; child's name, name of medication, and specific directions for administering medication. A "Medication Permission Slip" must also be completed during Monday morning check-in.

Staff

Staff are screened for excellence in programming for children. ZooCamp staff are required to have previous experience with children and many staff return year after year. All staff working with children undergo a federal background check prior to employment. Counselors are 18+ and are assisted by Junior counselors age 16+. Paid staff are supported by volunteer Counselors-In-Training (CITS) ages 13-17.

Stray Materials

Items are turned in to the central Zoo lost & found at the end of each camp week. To check on lost items after your child's week at camp, please call 401-785-3510 x 300.

Sunscreen

Campers should come equipped with sunscreen that can be reapplied throughout the day without grown-up assistance. Please refrain from aerosol spray sunscreens. We also recommend sending your camper with hats and any other sun protection gear.

Supervision & Safety

At no time is any child left unsupervised. All camp counselors are first aid, CPR, and AED trained. Additionally, the Zoo's full-time security staff are certified in first aid and will respond immediately to any emergency situation. As an added layer of protection, a Zoo Nurse is on groundz from 9:00 am-4:00 pm.

T-Shirts

Campers are required to wear ZooCamp t-shirts every day. This is a safety precaution & allows us to recognize campers easily among other visitors. Each child receives one t-shirt with each full week registration. Extra t-shirts are available for \$12.00 each, and can be purchased at check-in or check-out.

If a camper does not come to camp with their t-shirt Tuesday-Friday, the shirt must be brought to camp or a new one purchased. This is to ensure camper's safety and exceptions will not be made

Available sizes: Youth XS, S, M, L Adult S, M, L, XL, XXL

Waterbottles

Campers should bring a reusable water bottle to camp. It is recommended to bring at least 2. As we say at camp "HYDRATION IS HAPPINESS"!

- Money for food or gifts. Concessions & gift areas will be off limits during camp.
- Cell phones, IPads, Smart Watches, & other electronics.

To Wear:

- ZooCamp t-shirts will be distributed on the first day of camp. These shirts must be worn daily to allow Zoo staff to easily recognize campers.
- Shorts, pants, and skorts. Campers will get dirty!
- Closed toed shoes. Please do not wear flip-flops, sandals or crocs.
- Weather appropriate gear. Campers will spend time outdoors every day.

Dont' forget to label your child's belongings!

Beat the Heat & Cold!

Fall & winter bring unpredictable weather! We have many ways of staying cool on warm fall days and keeping warm on cold ones:

- Outdoor activities and meals take place in shaded areas.
- Stops are made at misting stations throughout the zoo when on tour.
- Camper water bottles are refilled frequently-please don't forget to send a reusable one with your camper!
- Sunscreen is reapplied throughout the day
- Indoor classroom and areas throughout the zoo are used to stay warm in cold and rainy weather!

Make it a Family Affair

Check-In & Check-Out

Tapdole Academy & Adventures drop-off & pick-up will be moving to our brand new Conservation Learning Center located to the left of the main admissions plaza. Please see the “Pick-up Procedures” and “Finding Your Way” documents for directions.

8:15-8:45 *Check-In at Conservation Learning Center*

Please stay with your child throughout the check-in process. Staff will be at the building each morning to greet your camper and to record their attendance. After your child's name is recorded, you are free to leave. Please be prepared to confirm your pick-up list, lunch orders, and provide camp staff with any medications (including those to be administered in an emergency) For your safety, please do not remain in the Zoo after dropping off your camper. Prior to zoo opening, preparations are under way that require the zoo to be free of visitors. If you would like to visit the zoo, please enter through the main admissions gate at 9:00 AM.

3:30-3:45 *Check-Out at Conservation Learning Center*

Please DO NOT take your child without first checking out with camp staff. We know pick-up can take a while. Please be patient. Everything we do is for the safety of our campers. Ensuring your “Approved Pick-Up Lists” are accurate and having your photo ID ready will expedite the process.

4:00-5:30 *After are Pick-Up at Conservation Learning Center*

For \$30 per day (per child), you may register your camper for After Care. All campers must be picked up by 5:30 pm. A \$1/minute additional fee applies after 5:30 pm. Pre-registration is required.

Important Pick-Up Information

Campers will not be released to any individual not on the pre-approved pick-up list maintained by parents/guardians on the Camp Brain portal. When creating this list, please ensure ALL pertinent individuals are included, including yourself, parents/guardians, grandparents, etc. For the safety of all campers, no exceptions to this policy will be made. Parents/guardians may add to their camper's throughout the season via Camp Brain.

Names on the photo ID must match the name on the pick-up list EXACTLY.

This includes middle names and suffixes. If it is on the ID, it needs to be on the list. Please be mindful of nicknames like Tom, Katie, Sue, etc. as they are not how names appear on IDs. Confirm this with your pick-ups to ensure correct names are listed for check-out.

- ZooCamp staff are not authorized to rely on “remembering” who you are.
- ZooCamp staff are not empowered to edit your “Approved Pick-Up List” for you.
- Parents/guardians are responsible for the accuracy of their “Approved Pick-Up” List as well as updating it.

The “Kid Code” created at time of registration does not replace the authorized pick-up or ID policy. The Kid Code may only be used in the event of a lost or stolen ID. Photo ID is required every day. Thank you for your cooperation-these policies are for the safety of all campers.

Important Drop-Off & Pick-Up Reminders

Approved Pick-Up Lists

For everyone's safety, Roger Williams Park Zoo requires that you provide a list of adults that are approved to pick up your camper. They must bring a Photo ID to do so.

- Names must match IDs **exactly**.
 - **Nicknames are not acceptable**
 - Example: If an ID says "Katherine," please do **NOT** list "Kate" on the Approved Pick-Up List.
 - **If an ID has a full middle name, it must be included on the Approved Pick-Up List.**
 - Newer IDs/REAL IDs include full middle names. Please check with anyone on your list to ensure the names match.
 - **If an ID has a suffix on it, it must be included on the Approved Pick-Up List.**
 - Suffixes like Jr, Sr., III, etc. must be listed on the Approved Pick-Up List if they are on the ID.
 - **Parents/guardians, do not forget to add yourselves to the Approved Pick-Up List.**
 - While your first and last name may be listed as a camp parent/guardian, you must also add your name to the Approved Pick-Up List, as it appears on your ID.
- If a name does not appear on the Approved Pick-Up List or match **exactly**, your pick-up process will be delayed as you will have to undergo a secondary screening.
 - ZooCamp staff are **not** authorized to rely on "remembering" who you are.
 - ZooCamp staff are **not** empowered to edit your Approved Pick-Up List for you.
 - Parents/guardians are responsible for the accuracy of their Approved Pick-Up List and maintaining it.
 - Please be considerate to the ZooCamp staff as they are working to provide a positive and safe environment for your camper.

It is the responsibility of the PARENT/GUARDIAN to ensure this list is accurate and updates as needed using the CampBrain website.

To Update your Approved Pick-Up List

1. Log in to the ZooCamp Camp Brain Portal
2. Under "ZooCation Day Camp 2026" click on [View details](#)
3. On the right, under "Forms" click on "Update Household Information."
4. Scroll down to the bottom of the form to view and update your list as needed.
5. Click [Complete this Form](#) to save your changes.

Roger Williams Park Zoo

ZooCamp Safety Policy

ZooCamp at Roger Williams Park Zoo (RWPZ) is committed to providing a safe environment for all campers that fosters growth, learning, making friendships, and having fun. This atmosphere is only possible when everyone that participates in ZooCamp, including but not limited to campers, guardians of campers, and staff are committed to safety. Expectations for campers are reviewed at the beginning of each day and are displayed in all classrooms. We ask parents/guardians to discuss these expectations with their camper prior to the start of camp. At ZooCamp we...

- Raise your hand to talk
- Listen, and follow directions quickly
- Try new things
- Be kind to others and to animals
- Stay with the group
- Use walking feet
- Try our best
- Keep hands, feet, & objects to yourself
- Clean up after yourself

In Case of Unsafe Behavior

To ensure your camper is safe, having fun, and learning, all RWPZ ZooCamp staff are thoroughly trained in advance of and throughout the camp season. Staff are trained to reinforce positive behavior and attitudes, to empower campers to make correct choices, and to problem solve so that all campers have a safe ZooCamp experience.

Two examples of ZooCamp behavioral management strategies include:

- **ZooCamp All Stars:** The awarding of stars for making good choices. Stars are posted on wall charts as visual reinforcement of positive behavior.
- **Quiet space:** campers have access to a quiet area in the education center that has supplemental tools to help campers who may need a break, needs help refocusing, or to have additional time on a project or craft.

Please support ZooCamp staff in providing your child with an exceptional experience by pro-actively providing details about behavior management tools or strategies successfully employed at home or at school so that those methods can be reinforced at ZooCamp if needed.

ZooCamp staff will always attempt to redirect negative behavior prior to moving to more progressive modes of handling behavioral issues as outlined below. If negative behavior persists and a campers' choices disrupt the camp experience for themselves and others in the group or compromises camp safety, staff will enact the RWPZ ZooCamp Safety Policy. Staff will use discretion to accommodate for age and cognitive level.

Minor Safety Infraction:

Example: disrespect is shown to fellow campers, staff, guests and/or animals.

1st offense: Verbal reminder of camp expectations. Campers are given the chance to self-correct and make positive choices. The occurrence will be communicated to parents verbally at pick-up or in a phone call.

2nd offense: Verbal reminder of camp expectations & removal from current activity for 15 minutes to speak with ZooCamp Administrator[SA2] in the camp office. ZooCamp Administrator calls parent/guardian once camper has returned to the group to discuss the incident. ZooCamp Counselor follows-up with parent/guardian at pick-up to solicit suggestions for strategies that have been successful at home and/or at school.

3rd offense: Camper is removed from activity and brought to speak with the ZooCamp Administrator in the camp office. The ZooCamp Administrator decides whether the camper will be sent home early, miss an activity, or miss an animal encounter. In all cases, the parent/guardian is called while the camper is in the office and engaged in a three-way discussion. While missing an activity or waiting for pick-up, the ZooCamp Administrator and camper work together to identify strategies for making better choices and create a safety plan. This plan is signed by the camper, ZooCamp Administrator, and parent/guardian. Campers are encouraged to return to camp the following day.

4th offense: If any significant safety concern persists, camper is not following safety plan, or a new behavior of concern is shown, camper is removed from the program and brought to the ZooCamp Administrator for dismissal. Camper is not permitted to return to ZooCamp for the remainder of the session. No refunds are given for removal from camp due to behavior.

All behaviors and conversations will be documented to allow for ZooCamp staff and parents/guardians to best identify strategies that will support campers in making positive choices. Campers will reset each week of ZooCamp unless dismissed for a serious infraction (see below).

Serious Infractions

Example: endangerment or intent to endanger own or other’s well-being (human or animal).

1st offense: Camper is removed from activity and brought to ZooCamp Administrator for early dismissal. Parent/Guardian is called to pick up camper. While waiting for pick-up, the ZooCamp Administrator and camper will work together to identify strategies for making better choices and create a safety plan. This plan is signed by the camper, ZooCamp Administrator, and parent/guardian. Camper is encouraged to return to camp the following day.

2nd offense: If camper repeats the dangerous behavior, is not following safety plan, or a new unsafe behavior is shown, camper is removed from program, brought to ZooCamp Administrator, and parent/guardian is called for pick-up. Camper will be permanently dismissed from the program without refund.

Threats and harassment of any nature, possession of drugs, alcohol, and/or weapons, stealing, or serious injury to campers, staff member, or animals will result in an immediate dismissal without refund. If deemed necessary, proper authorities will be notified.

Considerations

RWPZ reserves the right to review each expulsion case by case to assess whether the camper will be allowed back, on probation, for subsequent weeks/camps. Any further registration of a camper dismissed from ZooCamp must be discussed with the ZooCamp Administrator prior to registration. RWPZ reserves the right to cancel registrations of a dismissed camper made without prior authorization by the ZooCamp Administrator.

ZooCamp is an experience that welcomes and supports children of all abilities. While the safety and quality experience of all campers is paramount, RWPZ ZooCamp Staff will consider individual camper needs in the enforcement of this safety policy.

If at any point you have questions or concerns about this policy or would like to discuss strategies for supporting your camper at ZooCamp, please contact the ZooCamp Administrator at (401) 785-3510 x352.
